- _____ **Serve on the Parent Advisory Board.** You will work directly with the Parent Rep. on the Board of Directors to support all camp activities based on your availability which includes fundraisers, parent cookouts, chaperones, etc. You may be contacted when we need help with any of our module activities (leadership, art, science, computer informatics, business, law, and government).
- _____ **Donate Supplies throughout the camp.** Items may include snacks, fruit, paper, pencils, pens, crayons, markers, scissors, scotch tape, rainy day games, small to large balls, reading supplies and age-appropriate books/magazines, and brain teasers. We need gas cards because all three groups travel daily. We need awards, prizes, stuffed animals, & movie passes to recognize cadets for a job well done.
- _____ **Participate in our Professional "Do Something Positive" Professional Speaker Series.** Speakers will share successful leadership skills and habits every Monday & Wednesday (Approx. 9:00 am). We would love to take a tour of your company (if possible).
- _____ **Help sponsor another cadet in need and/or secure funding from your job or church.** We have a wide variety of cadets that attend our camp. Many come from single parent or grandparent households. Many are working poor. Several do not have jobs and are in serious need of help. We can provide a sponsorship request letter, but ask you to serve as our champion to secure funding, grants, donations, etc. Several companies have matching awards. Every dollar will help to offset camp expenses.
- _____ **Enhance the Cadet Shadow Program for cadets 14-17.** We need parents to serve on our interview boards (during week 2). provide a shadow site at your company so cadets gain valuable work experience (6 dates on Tuesday & Thursday).

Week 1 (May & June); Week 2 (Jan & Feb) **Week 3 (March & April);** Week 4 (July & August); **Week 5 (Sept. & October);** Week 6 (Nov. & December).

What changes or enhancements would you like to see in your child as a result of their attendance in our summer camp? Remember that we must work together at home & in camp to accomplish this!

- _____ **Increase Leadership Skills** (This includes having a positive attitude, being confident, and using manners. Cadets will be responsible for their actions, show initiative, and set goals with SMART objectives. They will expand their comfort zone, learn to solve problems, make good decisions, and learn how to communicate effectively. Cadets will learn to embrace the values of education and unity/diversity).
- _____ **Develop Healthy Lifestyles** (This includes developing good habits which includes daily physical fitness and lifelong sports, healthy eating and nutrition along with portion control. They will develop team building skills and learning how to make positive friends with common goals. Cadets will explore future dreams and develop resistance skills to negative/risky behaviors that will prevent them from coming true).

YES! I want my child enrolled in this year's SFC Summer Leadership Camp.

I agree to allow cadet(s) to go on scheduled field trips & participate in scheduled programming. I understand that Educational Outings are a privilege and not an absolute right. As with any program there is always a slight risk of injury from participation. I realize that the SFC will supply group accident insurance, but it may not cover all medical bills, so the balance is the responsibility of the cadets' parents / guardians.
